Re: Philip Morris Incorporated
British Patent Appln. 25895/67
Our File 582-509A Great Britain

Dear Sirs:

Thank you for your letter of June 13, 1969 relating to the above-identified British patent application. The changes which you have made are satisfactory to us and, as you expected, we prefer to await the Examiner's remarks and reactions in connection with the burnable sheet mentioned in the third paragraph of your letter.

As to "principal oils" this is merely an illustrative term for a flavoring oil and, if you desire, can be deleted from the application.

If you require any further comments, please let us know.

Very truly yours,

Howard K. Kothe
